

Gehirnjogging am Computer hält nicht, was es verspricht Gemeinsame Erklärung von internationalen Kognitions- und Neurowissenschaftlern

Unterzeichner

Ein Stern (*) zeigt an, dass der Unterzeichner einen Interessenskonflikt hat, definiert als finanzielle Interessen (Forschungsfinanzierung, Aktienoptionen oder Aktien) an Gehirnjogging-Produkten oder an Konkurrenzprodukten (z.B. pharmazeutische Industrie).

Jason C. Allaire, Associate Professor of Psychology, North Carolina State University, USA

Lars Bäckman, Professor of Psychology, Karolinska Institute, Stockholm University, Sweden

David A. Balota, Professor of Cognitive Psychology, Washington University in St. Louis, USA

Daphné Bavelier, Professor of Brain and Cognitive Sciences, University of Rochester, USA; and Professor of Psychology and Educational Science, University of Geneva, Switzerland

Robert A. Bjork, Professor of Psychology, University of California – Los Angeles, USA

Gordon H. Bower, Professor of Psychology, Stanford University, USA

Todd S. Braver, Professor of Psychology, Washington University in St. Louis, USA

Randy L. Buckner, Professor of Psychology and Neuroscience, Harvard University, USA

Silvia A. Bunge, Professor of Psychology & Neuroscience, University of California – Berkeley, USA

Roberto E. Cabeza, Professor of Psychology & Neuroscience, Duke University, USA

Laura L. Carstensen, Professor of Psychology, Director, Stanford Center on Longevity, Stanford University, USA

Fergus I. M. Craik, Senior Scientist, The Rotman Research Institute at Baycrest Centre, University of Toronto, Canada

Martin Dresler, Assistant Professor, Radboud University Medical Center, The Netherlands

Emrah Düzel, Institute of Cognitive Neurology and Dementia Research, Otto-von-Guericke Univ. Magdeburg, Germany; German Center for Neurodegenerative Diseases (DZNE), Magdeburg site, Germany; Institute of Cognitive Neuroscience, Univ. College London, UK

Gilles O. Einstein, Professor of Psychology, Furman University, USA

Randall W. Engle, Professor of Psychology, Georgia Institute of Technology, USA

Alexandra M. Freund, Professor of Psychology, University of Zurich, Switzerland

Adam H. Gazzaley*, Professor of Neurology, Physiology and Psychiatry, University of California – San Francisco, USA

Paolo Ghisletta, Professor of Psychological Sciences, University of Geneva, Switzerland

Cheryl L. Grady, Senior Scientist, The Rotman Research Institute at Baycrest Centre, University of Toronto, Canada

C. Shawn Green, Assistant Professor of Psychology, University of Wisconsin – Madison, USA

Michael D. Greicius, Assistant Professor of Neurology and Neurological Sciences, Stanford University, USA

Lynn Hasher, Professor of Psychology and Senior Scientist, The Rotman Research Institute at Baycrest Centre, University of Toronto, Canada

Christopher K. Hertzog, Professor of Psychology, Georgia Institute of Technology, USA

Charles Hulme, Professor of Psychology, Division of Psychology and Language Sciences, University College London, England

Larry L. Jacoby, Professor of Psychology, Washington University in St. Louis, USA

Susanne M. Jaeggi, Assistant Professor – School of Education, University of California, Irvine, USA

Michael J. Kane, Professor of Psychology, University of North Carolina at Greensboro, USA

Julia Karbach, Professor of Psychology, Goethe-University Frankfurt, Germany

Matthias Kliegel, Professor of Psychology, University of Geneva, Switzerland

Arthur F. Kramer, Professor and Director, Beckman Institute, University of Illinois, USA

Jutta Kray, Professorin für Psychologie, Universität des Saarlandes, Deutschland

Simone Kühn, Senior Researcher, Forschungsbereich Entwicklungspsychologie, Max-Planck-Institut für Bildungsforschung, Deutschland

Kenneth M. Langa, Professor of Medicine, University of Michigan, USA

Shu-Chen Li, Professorin für Entwicklungspsychologie und Neurowissenschaft der Lebensspanne, Technische Universität Dresden, Deutschland

Leah L. Light, Professor of Psychology, Pitzer College, USA

Ulman Lindenberger, Direktor, Forschungsbereich Entwicklungspsychologie, Max-Planck-Institut für Bildungsforschung, Deutschland

Robert H. Logie, Professor of Human Cognitive Neuroscience, University of Edinburgh, UK

Martin Lövdén, Professor of Psychology, Karolinska Institute, Stockholm University, Sweden

Cindy Lustig, Associate Professor of Psychology, University of Michigan, USA

Michael Marsiske, Associate Professor of Clinical and Health Psychology, University of Florida, USA

Mike Martin, Professor of Gerontopsychology and Gerontology, University of Zurich, Switzerland

Mara Mather, Professor of Gerontology and Psychology, University of Southern California, USA

Ulrich Mayr, Professor and Head, Department of Psychology, University of Oregon, USA

John J. McArdle, Professor of Psychology, University of Southern California, USA

Mark A. McDaniel, Professor of Psychology, Washington University in St. Louis, USA

Anthony R. McIntosh, Professor of Psychology and Director, The Rotman Research Institute at Baycrest Centre, University of Toronto, Canada

Anne C. McLaughlin, Associate Professor of Psychology, North Carolina State University, USA

Monica Melby-Lervåg, Professor of Psychology, University of Oslo, Norway

Lars Nyberg, Professor of Psychology and Neuroscience, Umea University, Sweden

Klaus Oberauer, Professor of Psychology, University of Zurich, Switzerland
