The center for Adaptive Rationality directed by Ralph Hertwig at the Max Planck Institute for Human Development is seeking applicants for a position as

**Student Research Assistant**

To assist in the analysis of large-scale behavioral study. The research assistant will be employed on a basis of 60 to 80h a month. The position lasts for 6 months. The anticipated start date is between October and November 2019.

**Requirements**

- Enrollment in Psychology or a related subject at a German university
- High interest in participating in research on cognitive science and decision making
- Good proficiency in English and German
- **Strong skills in either R or Python**
- **Moderate skills in R**

**What we offer**

The Center for Adaptive Rationality is investigating various aspects of judgment and decision-making. We offer you the chance to participate in an international and interdisciplinary research team. The research assistant will assist in a large-scale behavioral study involving the analysis of the data from over 120 published studies. The Max Planck Society seeks gender equality and diversity and encourages students from all backgrounds to apply. The Max Planck Society is committed to employing more individuals with disabilities and especially encourages them to apply. Salary: 11,15 €/hour (Bachelor Students). 12,97 €/hour (Master Students).

**How to apply**

Please send your application without a photo, as one single PDF-document to wulff@mpib-berlin.mpg.de, using the subject line “Application Student RA 2008”. The application should include (a) a short motivation letter, (b) CV without a photo, and (c) relevant school/university certificates and references. **The deadline for submitting applications is September 15th, 2019.**
