The center for Adaptive Rationality directed by Ralph Hertwig at the Max Planck Institute for Human Development is seeking applicants for a position as **Student Research Assistant**

to assist the ongoing research in all phases of the scientific process. Research assistants are usually employed on a basis of 41-60h a month. Position lasts for 6 months minimum and can be prolonged given mutual interest. Anticipated start date is April 1st 2019 or later by agreement.

**Requirements**
- Enrolled in Psychology, Cognitive Science or Computer Science or a related subject at a German university
- High in flexibility and commitment
- Good level of English and German
- Very high achievement level
- High interest in participating in research on judgment and decision making

**Desired Qualifications (not all need to apply)**
- Good skills in statistics and statistical software packages (R, Python etc.)
- Skills in programming experiments (PsychoPy, jsPsych, lab.js etc.)
- Additional programming skills (Python, Java, Javascript, C#/C++)
- Project versioning and documentation skills (git, markdown, knitr/Rmarkdown, jupyter)

**What we offer**
The research center for Adaptive Rationality is investigating various aspects of judgment and decision making. We offer you the chance to participate in an international and interdisciplinary research team. Research assistants will be involved in research using behavioral and computational methods to study the dynamics of individual and collective decision making. The Max Planck Society is committed to employing more handicapped individuals and especially encourages them to apply. The Max Planck Society seeks to increase the number of women in those areas where they are underrepresented and therefore explicitly encourages women to apply. Salary: 11,15 €/hour (Bachelor Students). 12,97 €/hour (Master Students).

Please send your application as one single PDF-document to arc-jobs@mpib-berlin.mpg.de. The application should include (a) CV, (b) school and further certificates (e.g., coursera.org, datacamp.com etc.), references, and (c) a short motivation letter. Applications are considered until the position is filled.
