The Center for Adaptive Rationality directed by Ralph Hertwig at the Max Planck Institute for Human Development is seeking applicants for a position as

Student Research Assistant

to assist the ongoing research in all phases of the scientific process. Research assistants are usually employed on a basis of 41–60h a month. Position lasts for 6 months minimum and can be prolonged given mutual interest. Anticipated start date is September 1st 2019 or later by agreement.

Requirements
- Enrolled in Psychology, Cognitive Science, Computer Science or a related subject at a German university
- High in flexibility and commitment
- Good level of English and German
- Very high achievement level
- High interest in participating in research on judgment and decision making

Desired Qualifications (not all need to apply)
- Skills in statistics and statistical software (R, Python etc.)
- Skills in programming experiments (PsychoPy, jsPsych, lab.js etc.)
- Additional programming skills (Python, Javascript, C#/C++, Java etc.)
- Project versioning and documentation skills (git, markdown, knitr/Rmarkdown, jupyter)

What we offer
The research center for Adaptive Rationality is investigating various aspects of judgment and decision making. We offer you the chance to participate in an international and interdisciplinary research team. Research assistants will be involved in research using behavioral and computational methods to study the dynamics of individual and collective decision making. The Max Planck Society seeks gender equality and diversity and encourages students from all backgrounds to apply. The Max Planck Society is committed to employing more individuals with disabilities and especially encourages them to apply. Salary: 11,15 €/hour (Bachelor Students). 12,97 €/hour (Master Students).

Please send your application without a photo, as one single PDF-document to herzog@mpib-berlin.mpg.de. The application should include (a) CV, (b) school and further certificates (e.g., Coursera), references, and (c) a short motivation letter. Applications are considered until the position is filled.
